

ANNUAL REPORT-2024

“Every child is a different kind of flower and all together, make this world a beautiful garden”

The academic session 2024-25 began on an auspicious note with Hawan ceremony to invoke blessings for a successful and prosperous year ahead, created a serene and positive atmosphere, filling every one with renewed energy and enthusiasm. Following the hawan, the Akshar Arambh Ceremony marked the beginning of the educational journey for our youngest learners. The ceremonies reflected our commitment to nurturing values, tradition and Academic Excellence.

Sir, at ANMIS ,we strive to provide a holistic education that nurture academic excellence, creativity , character and physical well being. Our school has grown steadily, achieving milestones in academic, sports, art and extracurricular activities. With a team of dedicated educators, a supportive management and enthusiastic students, we aim to prepare young minds to fa ce the challenges of the future with confidence and integrity. This year our campus boasts state of the art facilities, including well equipped science and computer lab, a vibrant library, sports ground and specialized resources for art, music and technology. To enhance facilities for holistic development our school has made significant strides in improving infrastructures to support both academic and extracurricular excellence. Prioritizing the comfort and well being of our youngest learners all kindergarten classrooms have been equipped with efficient air conditioning systems which ensures that children remain cool and focused throughout their activities.

Further to ensure uninterrupted learning environment we have installed 63KB generator that guarantees 24/7 power supply, allowing our students to thrive in comfortable and conducive setting irrespective of external power cuts. Our school is proud to offer modern amenities, including RO water purification system that provides clean and safe drinking water also we have introduced a food warmer system and this initiative ensures that students receive their meals at the perfect temperature, promoting better nutrition during recess.

This year has been marked by numerous remarkable achievements by our students and teachers showcasing their hard work, dedication and talent. Our class 10th and 12th students have once again brought laurels to the school with their stellar CBSE board exam performance with an impressive 100% pass percentage setting a new benchmark of academic excellence. In class 10th Vaishnavi Rana with 96.7% stood first , Advik and Jaspreet with 92% and Suraj with 91% stood 2nd and 3rd respectively . In 12th Dashampreet was 1st in science stream and Niharika in commerce Stream. We are proud to announce that one of our student Aditya Duvedi has been selected for NDA reflecting the discipline, determination and patriotism instilled at our school. Another student Tejasv Singh Hada has achieved admission into the prestigious

National Institution of Technology(NIT) Hamirpur, showcasing an exceptional aptitude in Engineering and Technology. Aryan Duvedi and Karan represent school at district level athletic meet and secure 3rd positions in long jump and Javelin throw respectively. Anirudh and Raghav showcased their incredible skill in badminton at district level games. Several of our former students have successfully secured admissions to prestigious MBBS medical institutions. Their achievement reflects the strong academic foundation fostered during their time in our school, we congratulate them on their hard-earned success.

Also our students continue to shine in National and International Olympiads . This year more than 200 students participated in Science, English, Math, Space, and Hindi Olympiads.
